

**Brrrrr!**

SAN JUAN COUNTY/  
TOWN OF FRIDAY HARBOR  
DEPARTMENT OF EMERGENCY  
MANAGEMENT

# BRRRRRR...

Despite our banana belt reputation, the islands see some serious winter weather. Over the past century we've had storms with winds over 100mph, up to four feet of snow, freezing temperatures for nearly two straight months, and we've lost ferry service and power for more than a week.

While we hope for sunny winter days, it makes sense to take some easy steps to prepare to be self-sufficient for at least a week.
